Kentucky Pollutant Discharge Elimination System

Public Notice No. 2006-28

Date of Notice: September 1, 2006

Comments Due By: October 2, 2006

The Kentucky Department for Environmental Protection, Division of Water proposes to issue, modify or terminate Kentucky Pollutant Discharge Elimination System (KPDES) permits for the treated wastewater discharges listed below.

KPDES PERMIT REISSUANCES

1. **BLEDSOE COAL CORPORATION**, 2 Highway 209 Cutshin, Near Chappell, Kentucky. KPDES No. KY0048488. This permit action involves an existing source discharge of process wastewater and storm water runoff from a coal preparation plant and associated areas that enters Britton Branch of Greasy Creek in Leslie County. Permit Writer: Diana Davidson.
2. **CHAS COAL, LLC – GARDNER PREPARATION PLANT**, Highway 66, Beverly, Kentucky. KPDES No. KY0049140. This permit action involves an existing new source discharge of process wastewater and storm water runoff from a coal preparation plant and associated areas that enters Red Bird Creek in Clay County. Permit Writer: Diana Davidson.
3. **EMS OWENSBORO BARGE WASH**, (Evansville Marine Service, LLC), 100 Wrights Landing Road, Owensboro, Kentucky. KPDES No. KY0100471. This permit action involves an existing source discharge of wash water from dry cargo barge cleaning that enters the Ohio River at mile point 751.4 in Daviess County. Permit Writer: Mahmoud Sartipi.
4. **ICG HAZARD, LLC – FLINT RIDGE PREPARATION PLANT**, 1575 Long Fork Road, Clayhole, Kentucky. KPDES No. KY0023086. This permit action involves an existing source discharge of process wastewater and storm water runoff from a coal preparation plant and associated areas that enters Nix Branch and Fugate Fork of Troublesome Creek in Breathitt County. Permit Writer: Diana Davidson.
5. **MOREHEAD STATE UNIVERSITY**, UPO 831 Bridge Street, Morehead, Kentucky. KPDES No. KY0002933. This permit action involves an existing source discharge of (Outfall 001) floor drains and washing, water softeners regeneration, stoker bearings cooling water, steam tunnel sump and ground water (Outfall 002) rapid sand filters, backwash and overflow, settling basin overflow, ash removal system cooling water and coal storage yard runoff from a power and water treatment plant that enters Triplet Creek at mile point 13.7 in Rowan County. Permit Writer: Mahmoud Sartipi.

Commonwealth of Kentucky Antidegradation Statement

Antidegradation determinations have been made in regard to the permits referenced in this Public Notice. Any information concerning the foundation of the Division's position as to these determinations is addressed in the permits' Statement of Basis or Fact Sheets and all supporting documentation is available in the permit files maintained at the Division central office in Frankfort, Kentucky. Kentucky's antidegradation policy is found in Regulation 401 KAR 5:029, Section 1. Antidegradation policy implementation methodology is defined in Regulation 401 KAR 5:030. The primary purposes of these regulations is to safeguard the surface waters of the Commonwealth for their designated uses, to prevent the creation of any new pollution of these waters, and to abate any existing pollution.

GENERAL INFORMATION

The KPDES program issues permits for all treatment facilities which discharge, or propose to discharge, to waters of the Commonwealth which are classified for domestic water supply, for fish and aquatic life, and for recreation. Proposed KPDES permits are written to protect the classified uses of receiving waters and contain limitations on the amounts of pollutants to be discharged and other conditions. The proposed permits are drafted in accordance with applicable provisions of the Kentucky Revised Statutes and appropriate regulations. The permit conditions are tentative and open to comment from the public. Persons wishing to comment upon or object to the proposed action (permit issuance, modification or termination) or the proposed permit conditions are invited to submit comments to the Division at the following address: **Department for Environmental Protection, Division of Water, KPDES Branch, Frankfort Office Park, 14 Reilly Road, Frankfort, Kentucky 40601, Attention: Inventory & Data Management Section.** The comments must be received by the comment due date stated at the beginning of this notice. The applicant's name and KPDES number should be included in the comments.

Interested persons may also request that the Director of the Division hold a public hearing on any application. The request must be filed within the comment period and must indicate the interest of the party filing it and the reasons why a hearing is warranted. When there is public interest, the Director will hold a public hearing pursuant to 401 KAR 5:075, Section 7. After consideration of comments submitted during the comment period, the hearing record, if any, and the requirements of the Federal and State Acts and appropriate regulations, the Director of the Division will make a determination regarding final permit action.

Permit applications, draft permits, fact sheets or statements of basis, and additional information are available by contacting the Division of Water. Business hours are 8:00 a.m. to 4:30 p.m. Monday through Friday, except for holidays. A copy machine is available for public use at 10 cents per page. Three (3) days advance notice may be required for inspection of files. **Please bring the preceding to the attention of persons whom you know will be interested.**

The Environmental and Public Protection Cabinet does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities an equal opportunity to participate in all programs and activities.
